

# State Plan for the Coordinated Delivery of Civil Legal Aid to Low Income People

## WHAT

The **purpose** of the state plan is to **expand access** to our civil justice system and **identify and eliminate barriers** that **perpetuate poverty** and **deny justice**.

## WHY

**7** in **10**  
low-income households face at least one significant legal problem each year

**AND**

many experience more than **9** legal problems for which the vast majority will not get needed help
