For more information about the AGO, we encourage you to review the Office's Annual Report which can be found [HERE](#) and view [THIS VIDEO](#).

**This position is based in the AGO's downtown Seattle office.** The Seattle MFC office hosts a small, close-knit team which works in close coordination with staff and leadership in the MFC Headquarters in Olympia, as well as the MFC's other office in Spokane. Unit currently has a staff of 58 FTEs, including attorneys, auditors, investigators, and professional support staff.

**DUTIES:**

The Washington State Attorney General's Office's [Medicaid Fraud Control Division](#) seeks a PROSECUTOR/LITIGATOR to investigate, prosecute and litigate Medicaid provider fraud as

**well as abuse and neglect of persons in residential facilities using a full array of civil and criminal remedies.**

The work of the Medicaid Fraud Control Division (MFC) focuses on both civil and criminal law enforcement. The federally funded and mandated MFC's mission is deterring provider fraud as well as abuse and neglect in residential facilities. MFC is unique in that it involves protecting not only the Medicaid program of roughly 13 billion dollars per annum, but also its most vulnerable persons, typically elderly nursing home patients. MFC cases are consistently on the cutting edge of legal theories and issues. The cases range from single provider home health fraud, abuse and neglect of persons in nursing homes, large scale organized individual and corporate fraudulent activity to national whistleblower actions. Our staff is a highly professional, fun and seasoned analytical investigative team. MFC is unique in that all cases are typically assigned an attorney, investigator and data analyst. This, and the great people who make up the unit, gives MFC a particularly terrific team atmosphere.

This Assistant Attorney General position is part of the MFC Civil Team, which affirmatively litigates against companies, organizations, and individuals who defraud the State Medicaid fund in violation of the Washington State False Claims Act, Chapter 74.66 RCW. All AAGs in MFC must manage a robust caseload, including directing investigations, assessing evidence, and resolving cases through litigation or negotiation. Attorneys must work with a sense of urgency and take the initiative to keep their cases moving toward resolution. The successful candidate for this position will be highly motivated and have a strong desire to enforce the law and the demonstrated ability to work with a team.

This position also has the opportunity to collaborate with the National Association of Medicaid Fraud Control Units through working on national cases, specialized training and an unparalleled investigative and litigation support network. MFC AAGs routinely bring cases in state court and investigate the same with our federal counterparts in particular, Department of Health and Human Services Office of Inspector General, Federal Bureau of Investigations, Customs, as well as local law enforcement and state administrative agencies.

**If you enjoy working in a team setting, complex puzzle solving and being on the cutting edge of law, this is the place and opportunity for you.**
