

JUVENILE REHABILITATION INSTITUTIONS & REENTRY STAFF ATTORNEY

KING COUNTY OFFICE

TEAMCHILD

TeamChild is a nationally recognized nonprofit serving vulnerable youth across Washington State. TeamChild is best known for its legal services program reaching children in crisis in King, Pierce, Spokane, and Yakima counties. Our clients are generally 12-21 years old and many are involved in the juvenile justice and child welfare systems. Our legal services program is designed to keep young people out of juvenile court by reconnecting them to education, healthcare, mental health, and housing supports. We work closely with public defenders, juvenile court staff and the community to positively impact the young person's life while helping the youth to accomplish their goals and reduce further contact with the courts. The goal of all of our programs is to divert children away from school exclusion, arrest and incarceration, and directly into the supports that have the best chances of getting them back on track.

At TeamChild we believe that racial and other social identities should be respected and affirmed. In support of this belief, we are trying to build an equitable and inclusive organization and providing our team of staff, volunteers and Board members with the tools to address institutionalized racism and other forms of oppression. All members of our team are responsible for providing and supporting an equitable and inclusive work environment that will enrich our interactions with each other and our products and services. This responsibility provides the foundation for serving our clients and their families so their needs are justly represented and their desires amply fulfilled. JOB OVERVIEW

TeamChild is seeking a full-time staff attorney based out of our Seattle/King County office for our Juvenile Rehabilitation (JR) Institutions & Reentry Project. Primary job duties focus on providing holistic civil representation to youth and young adults placed in Washington Juvenile Rehabilitation's three institutions and nine community facilities. The JR Institutions & Reentry Project Staff Attorney will also be responsible for developing community resources with youth at JR, building relationships with JR, and conducting trainings for JR youth and staff on relevant rights, services, and resources. This position involves significant travel in order to meet with clients at JR's institutions and community facilities.
